TEAMSCODE

SPONSORSHIP DECK

Sunday July 28, 2024,
11:00 AM – 5:30 PM PT

ABOUT TEAMSCODE

TeamsCode is a student-run 501(c)(3) non profit organization that hosts coding competitions for middle and high school students with the goal of increasing interest and activity in computer science. Teams will be given 3 hours to solve fifteen coding problems of varying difficulty. Prizes will be given to high-scorers of the competition and winners of the end-of-contest raffle.
