

TEAMS CODE

SPONSORSHIP DECK

**Saturday August 6th,
2022, 1:00-5:00 PM PT**

ABOUT TEAMSCODE

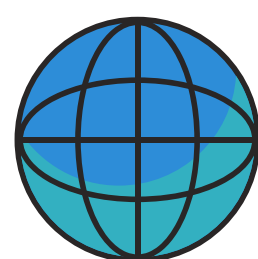

TeamsCode is a student-run 501(c)(3) non profit organization that hosts coding competitions for middle and high school students with the goal of increasing interest and activity in computer science. Teams will be given 3 hours to solve fifteen coding problems of varying difficulty. Prizes will be given to high-scorers of the competition and winners of the end-of-contest raffle.
